

Privacy Policy prior to March 31, 2023

SANYEI CORPORATION

SANYEI recognizes the importance of protecting customers' and other individuals' personal information, and it protects personal information in accordance with the following policy.

1. Acquisition of personal information

SANYEI acquires personal information in a lawful and fair manner.

2. Use of personal information

SANYEI uses personal information only as necessary to conduct operations within the scope of the purpose of use upon acquisition of the information. When jointly using personal information with a third party or contracting a third party with the handling of personal information, SANYEI shall conduct a strict examination on that party in advance and proper supervision in order to maintain confidentiality.

3. Provision of personal information to third parties

SANYEI shall not provide personal information to third parties without obtaining the advance consent of the person concerned, except cases stipulated by laws and regulations.

4. Management of personal information

SANYEI shall maintain the accuracy of personal information and ensure safe management of the information.

SANYEI shall take appropriate information security measures against unauthorized access, computer viruses, etc. in order to prevent the loss, destruction, alteration, leakage, etc. of personal information.

SANYEI shall take appropriate measures to prevent information leaks or other incidents caused by employees or other persons taking out personal information from the office or conducting external transmission.

5. Organization and structure

SANYEI takes sufficient security measures including the development of handling rules and implementation structures for the prevention of leaks, loss, or damage of personal data managed by the company as well as other

measures for the safe management of personal data. SANYEI shall also take appropriate measures to maintain the accuracy and recentness of personal data as required for achieving the purpose of use.

6. Disclosure, correction, and suspension of use of personal information

SANYEI confirms that individuals have the right to demand the disclosure, correction and suspension of use of their own personal data, and SANYEI will respond promptly if any such requests are made.

Please contact the address below if you have any opinions or questions regarding the handling of personal information.
